0945-1015: Transport to nearby Hunter AAF. Transport not yet arranged but probably car-pool in POVs with Spider escort hopefully through Wilson Gate.

1030-1400(?): Alpha 4/3rd Hanger. I will arrange for food for a light lunch. We are the guests of the Spiders, the Brawlers and 3rd Aviation Brigade. Spider 6 is hopeful to get some simulator time on both the pilot and gunner simulators. Spider 6 confirmed a limited flight for some vets in their UH-60s. Hopefully Brawler 6 and other dignitaries will attend. I will make arrangements to see an Apache next door.

After the Hunter visit, free time. Those wishing may want to organize a dinner together. Savannah has many sights BUT parking is difficult. There are parking garages and hopefully being a weekday, you can see what you want to see.
