

Black Widow Reunion ??

David Miller is asking if anyone is interested in having a 50th Anniversary Reunion *specifically* to commemorate the forming of the 188th AHC, which was later re-designated as C/101 in 1968? The name changed, but the mission didn't.

The Black Widows and Spiders have continued to proudly serve our country from that day unto the present. This reunion would be the type of affair which is open to all who have served under those names as a way for us to mark the occasion in **early November; November 6th maybe?** The unit stood up on November 1st, 1966 so that would be the target timeframe. Whether you are one of the original 188th, the follow on C/101st, or the current A/4/3 AHB, this invitation extends to you. **All are welcomed.**

There are at three possible locations to consider (please indicate your 1st and/or 2nd choices):

Houma, LA where we can reunite with our newly found gunship at the Regional Military Museum (Bell UH-1B 66-712). Haven't heard about this yet? Check out the pictures at:

Houma, LA is only about 60 miles from New New Orleans too, so that could be fun.

Savannah, GA where the current Spiders could be included if they are not deployed. Bring the new Spiders out to meet their heritage. And Hunter AAF is nearby for a visit.

Tampa, FL where one our H models is on display mounted on a pylon with the nose artwork of our Black Widow, ala 101st

And, if there are other suggestions, we would be more than glad to share them, but we'd need those places soon so we can coordinate the visit.

If you have any interest in a 50th Anniversary Reunion and, also, which venue you would prefer, please let David know ASAP! Email is the fastest and easiest way to contact him:
