LAKE TAHOE DINNER CRUISE

The two large boats seat 100 for dinner. The docks are about a 1-hour bus ride from the Peppermill. Talk about having a view with your meal!!!

NAVAL AIR STATION FALLON

A limited attendance private tour of the US Navy's premier air-to-air (TOPGUN), air-to-ground (bombing and gunnery), TOPDOME (carrier airborne protection), and helicopter weapons training facility.

**** ALL DAY VISIT TO VIRGINIA CITY ** PURE FUN!**

Sprang up as a 1859 boomtown with the first major silver deposit discovery in the USA. Tour includes lunch & VHPA shuttle plus train ride, mine tour, 6 museums, shopping, & ice cream shop options

RENO CITY TOURS

Reno does NOT have anything like a "Gray Line City Tour" so the VHPA built one just for you! Lunch, about 5 stops including the Wilbur May & National Automobile Museums plus National Bowling Stadium and a trip to Squaw Valley.
